Facility, Check-In, Crating, and Food

Doors Open at 8:00. Please do not arrive prior to this time. General briefing, Judge's briefing, and walk-throughs will begin at 9:00. Dogs may be crated in the facility, and some chairs are available to competitors. Most crating space is on mats. Please bring something to place under your crate and chair to protect the mats.

DOS entries must be in by 8:30 for Trial 1 and ½ hour before the first class begins for Trial 2.

Entries limited to 80. Move-ups will be allowed between trials both in Level and in Class. Move-overs from A to B class are mandatory and Show Secretary needs to be notified immediately upon completion of the class where the title was earned.

Food and beverages will be available, and is free for all exhibitors, workers, and guests. Please feel free to bring something to share.

Awards

Immediately following each class, qualifying ribbons will be awarded to each team who achieves a score of 170 or better. Placement rosettes will be awarded to the top five high scoring teams in both classes at each level. In the event of a tie score for a placement in the A class, those teams will run a shortened course of the first six exercises. In the event of a tie during the run-off, time will determine the placement. In the B classes, time is used to determine placement, rather than a run-off.

In addition to High Scoring Dog, prizes will be awarded to the high scoring teams in the following categories: High Scoring Junior Handler, High Scoring MMBC member, and High Scoring Mixed Breed.

Rosettes are available for new titles and all Championships!

Directions to the Show Site

From I-35W take the exit for MN-13 south; keep right onto Co Rd 5; right onto Williams Dr; right onto Morgan Ave S; left onto Sheridan Ave.

Accommodations

Things change, so please confirm that the hotel you choose still takes dogs and ask about fees when you make your reservation. Please have your canine companions on their best behavior. We recommend dogs are crated when you are not in the room with them and, as always, pick up after them and leave no traces of grooming in the room.

Rally Class Description

For a complete description of the Rally rules & regulations, rules of performance, scoring standards, explanation of exercises (including Primary and Secondary Elements), course design, etc. go to www.rallydogs.com and click on Official Regulations. To learn more and get new ideas, you can join the "All Dogs" Rally chat list and talk to other World Cynosport Rally Limited enthusiasts by sending a message to RallyO-All-Dogs-subscribe@yahoo.com.

You must be familiar with all the Rally exercise signs, as well as the Rally Rules and Guidelines prior to the event. Go to www.rallydogs.com for an explanation of each of the exercise signs and have fun practicing them with your dog.

A and B Classes

"A" classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

"B" classes are for dogs that have completed that base level title for that level.

Intro Class

Intro class is open to dogs 6 months or older, but dogs who have earned the RLI or RL1 or higher are not eligible for placement awards, if offered, in this class. There is no separation of Intro class into A and B classes. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class, including when rewards may be given.

Veteran Class

Veteran class is open to all dogs over the age of 8; dogs 50 pounds and less than 90 pounds may enter Veteran at age 7 years, and dogs 90 pounds or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a bonus exercise from the Level 3 Bonus Exercises. Veteran is an off-leash class. In Veteran class, one Additional Cue per exercise may be given without penalty. Please see the Official Rules & Regulations for more details.

Food and Touch Rewards

Rewards of food and touch may be given in all classes following the conclusion of any stationary exercise, except when performing shared stations, in which the reward may only be given at the conclusion of the final stationary exercise of a shared station. Handler's delivery of the reward must be completed before the team moves forward on the course to the next exercise. Use of the reward to induce a desired behavior is considered luring and is prohibited. Rewards may be given in the ring before beginning and after completion of the course performance. A handler shall not otherwise feed or touch their dog during the course performance. Please see the Official Rules & Regulations for more details on the rules for rewards.

Bonus Exercise

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a "Bonus" placard. The bonus exercise shall be in course sequence, at judge's discretion, and shall be performed in the normal flow of the timed course at handler's option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

Jump Heights

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog's height at the withers. The selected jump height shall be indicated on the Entry Form. The "minimum allowable jump height" for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion, but must have designated the height on the entry form.

Height at Withers	Minimum Allowable Jump Height	Recommended Jump Height
12" or less	4"	4"
16" or less	4"	8"
20" or less	8"	12"
Over 20"	12"	16"

Time Standards

Each course in all classes has a Maximum Course Time or "MCT". Should this limitation be reached, the course performance is over and the team's score will be marked zero. The following table sets forth the MCT for each class:

	Intro	Level 1	Level 2	Level 3	Veteran
MCT	3:00.00 minutes (180 seconds)	3:00.00 minutes (180 seconds)	3:30.00 minutes (210 seconds)	4:00.00 minutes (240 seconds)	4:00.00 minutes (240 seconds)
